Dear Parents:

Lauren Slade from Meyersdal Optometrist will be visiting your child's school on Tuesday the 10/03/2015 between 09h00 & 12h00 in order to perform visual screenings on the children at a cost of R50 per child. The screening will assess the following:

Visual acuity – how well the eyes see

Motilities – how the eyes move individually and together

Depth perception and binocularity

Colour vision

Convergence – ability of the eyes to come together (necessary for reading)

Reports will be compiled and returned to the school within 2 weeks of the screening.

Please complete the form below and return it the school no later than Friday the 06/03/2015.
